## **Tires Slashed and Vehicles Vandalized**

The Brighton Police Department received a report of several vehicles with slashed tires at about 4:10 am this morning. The report was phoned in by a resident of the Riverwalk Apartments, 744 Mockingbird Street, in Brighton. The resident noticed the damaged tires when he was leaving to drive to work.

Officers arrived and found twenty vehicles with slashed tires. All of the vehicles were parked in the parking lot of the apartment complex. During the investigation officers spoke to a couple of the residents who had heard suspicious noises, but did not call the police.

In total, the police department received reports of three vehicles which had windows broken out, twenty vehicles with slashed tires and four motorcycles with slashed tires.

Anyone who has information about the identity of the persons who vandalized these vehicles is asked to call the Brighton Police Department Tip Line at 303-655-8740.
